We are continuing to figure out the finances. Talk continues about opening a new bank account which would resolve the two signatures we don't have on the existing account. We would then be able to set up a virtual basket, which Collin said he would have a link on the Quarantine Serenity page for donations. The vice-chair who had interest in contacting the acting treasurer did not attend the ASC. Walter said he would contact the vice-chair so we can keep the process moving. We discussed what we may need to open a new bank account but none of us are 100% sure.

We also discussed that the insurance is due Nov 1<sup>st</sup>. The meeting list coordinator said the bill for the ELIANA website is coming up, and he also mentioned the contribution we give to the helpline.

The possibility of having to open a PO Box was discussed. We believe the old one

was closed from not being used and that the box may be needed to open a new bank account.
